Aug 2004-June 2006

Name of undergraduate.

Bachelor of the Arts in Psychology, *Cum Laude*

Sept 1999-June 2003

### Leadership Experiences

---

*Chief Resident*

June 2013-Present

*Name of university*

- Developed clinical schedules for ER residents, morning report, and off service rotations
- Conducted monthly chief meetings to address resident issues and wellness
- Advocated as resident liaison on behalf of residents, administrators, senior staff, and nursing

*President (10-11), Vice President (09-10)*

Aug 2009-June 2011

*Emergency medicine Interest group*

- Provided medical students with information about externships and how best to prepare for an Emergency Medicine residency
- Led procedure training sessions including suturing, ultrasound, and splinting
- Organized EMS ride along opportunities and Emergency Medicine shadowing experiences

### Committee Participation

---

*Performance Improvement Committee*

June 2013-Present

- Participate in monthly morbidity and mortality meetings

*Emergency Department Patient Safety Committee*

Jan 2013-Present

- ED residents meet once a month to discuss patient safety issues and brainstorm possible solutions
- Collaborate with the nursing staff and ED administration to implement these solutions and improve compliance

*Resident Quality Collaborative Care Council*

Aug 2012-Present

- Meet once a month with house staff representatives from every residency in the hospital to discuss issues and areas for improvement throughout the hospital and then develop workable solutions. Our first project was to create a one page universal patient transfer document that will soon become a mandatory part of the patient medical record
